

**คอร์ดเพลง : Sgt. Pepper's Lonely Hearts Club Band - The Beatles**

Intro / A7 / A7 / C7 / G7 /

G                      A7              C7                                      G7  
 It was twenty years ago today Sgt. Pepper taught the band to play  
    G                                      A7                                      C7                                      G7

They've been going in and out of style But they're guaranteed to raise a smile  
    A7                                      C7

So may I introduce to you The act you've known for all these years

G                      C                                      G  
 Sgt. Pepper's Lonely Hearts Club Band

instru / C / F / C / D / D /

G              Bb              C7                      G              C7                                      G  
 We're Sgt. Pepper's Lonely Hearts Club Band We hope you will enjoy the show  
    G                      Bb              C7                      G              A7                                      D7

We're Sgt. Pepper's Lonely Hearts Club Band Sit back and let the evening go  
 C7                                      G7                                      A7                                      C7                                      G7  
 Sgt. Pepper's lonely, Sgt. Pepper's lonely Sgt. Pepper's Lonely Hearts Club Band  
    C7                                      F7

It's wonderful to be here It's certainly a thrill

C7                                      D7  
 You're such a lovely audience We'd like to take you home with us

We'd love to take you home

G                      A                      C7                                      G7  
 I don't really want to stop the show But I thought that you might like to know  
    G                                      A7                                      C7                                      G7

That the singer's going to sing a song And he wants you all to sing along  
    A7                                      C7

So let me introduce to you The one and only Billy Shears

G                      C7                                      G  
 And Sgt. Pepper's Lonely Hearts Club Band
