C#m E B F#
 Well, I know the feeling Of finding yourself stuck out on the ledge
 C#m E B F#
 And there ain't no healing From cutting yourself with the jagged edge
 C#m E B F#
 I'm telling you that, it's never that bad Take it from someone who's been where ou're at
 E F#
 Laid out on the floor And you're not sure you can take this anymore
 C#m E B F#
 *So just give it one more try to a lullaby And turn this up on the radio
 C#m E B F#
 If you can hear me now I'm reaching out To let you know that you're not alone
 C#m E B F#
 And if you can't tell, I'm scared as hell 'Cause I can't get you on the telephone
 E F# C#m E B F#
 So just close your eyes Oh, honey here comes a lullaby Your very own lullaby
 C#m E B F#
 Please let me take you Out of the darkness and into the light
 C#m E B F#
 'Cause I have faith in you That you're gonna make it through another night
 C#m E B F#
 Stop thinking about the easy way out There's no need to go and blow the candle out
 E F#
 Because you're not done You're far too young And the best is yet to come

 Well, everybody's hit the bottom Everybody's been forgotten
 E B G#m
 When everybody's tired of being alone Yeah, everybody's been abandoned
 E F#
 And left a little empty handed So if you're out there barely hanging on...
