Well, when you go Don't ever think I'll make you try to stay  
 And maybe when you get back I'll be off to find another way  
 And after all this time that you still owe You're still the good-for-nothing I don't know  
 So take your gloves and get out Better get out While you can

\*When you go Would you even turn to say "I don't love you Like I did Yesterday"

Sometimes I cry so hard from pleading So sick and tired of all the needless beating  
 But baby when they knock you Down and out It's where you oughta stay  
 And after all the blood that you still owe Another dollar's just another blow  
 So fix your eyes and get up Better get up While you can Whoa, whooa
