        E                                C#m              F#m                                B
Your love is like a studded leather headlock  Your kiss, it could put creases in the rain
        E                                C#m
You're rarer than a can dandelion and burdock
             F#m                 B                E
And those other girls are just post mix lemonade

  E                          A G#m B E                          A G#m B
*Suck it and see, you never know     Sit next to me before I go
F#m                    B        C#m           A                  B          (E Emaj7)
Jigsaw women with horror movie shoes Be cruel to me 'cause I'm a fool for you

     E                              C#m        F#m                          B
I poured my aching heart into a pop song I couldn't get the hang of poetry
          E                                C#m
That's not a skirt, girl, that's a sawn off shotgun
      F#m E       F#m                 B                E
And I         can only hope you've got it aimed at me
