Intro / D# / D# / Dm / Dm /

D#

\*You got me hypnotized You got a look and a something money can't buy

Dm

Walk it out with me Walk it out with me, walk it out with me

D#

I got you hypnotized I got the staring and from the look in your eyes

Dm

You wanna walk it out with me Walk it out with me, walk it out with me

D#

Hey baby, hey, hey hey hey I just moved in to town

I'm lost, can you show me the way, way, way you can help me out out out

D#

Honey excuse me mmm keep on working If I didn't know no better

Dm

I'd think that you was flirting Whispering sweet nothings in my ear

Working on all 'em excuses to get up in here

D#

And boy you talking good shit And I swear that you could get it

Dm

I'm a good girl, I gotta think about my image Show dignity, but I'm sorry

I'm not just anybody

Dm

Hey baby, hey, hey hey hey Can we re-schedule, we can do this another day day day

D#

Fuck it, let's do this today I know you want to Take me to your room

Dm

And I wanna go your way way way But you gotta treat me like a lady

D#

Dm

We should just get to know each other yeah And the man will go away way way

But now I'm on the first stand yeah

(\*)

D#

I'll be on, I'll be on, I'll be, I'll be on that good shit I'll be on, I'll be on, up that hood shit

Dm

You gotta bring me out Let me show you how So approach me now

D#

If you'll do it right you can turn me out Slow it down I'll give it to you now

Dm

Boy what you talking 'bout If you wanna guilt me, you got a word for me

Now baby get out
