I knew you were You were gonna come to me
 And here you are But you better choose carefully
 'Cause I, I'm capable of anything Of anything and everything
 Make me your Aphrodite Make me your one and only
 But don't make me your enemy, your enemy, your enemy

A#m

Mark my words This love will make you levitate Like a bird Like a bird without a cage
 But down to earth If you choose to walk away, don't walk away
 It's in the palm of your hand now baby It's a yes or no, no maybe
 So just be sure before you give it all to me

A#m

She's a beast I call her Karma (come back) She eats your heart out Like Jeffrey Dahmer
 Be careful Try not to lead her on Shorty's heart is on steroids Cause her love is so strong
 You may fall in love When you meet her If you get the chance you better keep her
 She's sweet as pie but if you break her heart She'll turn cold as a freezer
 That fairy tale ending with a knight in shining armor She can be my Sleeping Beauty
 I'm gon' put her in a coma Woo!

F# C#
 Damn I think I love her Shorty so bad, I'm sprung and I don't care
 A#m G#
 She ride me like a roller coaster Turned the bedroom into a fair (a fair!)
 F# C# A#m
 Her love is like a drug I was tryna hit it and quit it But lil' mama so dope
 G#
