We were born ready, ready to be free Chasin' every thrill we could see

With our eyes steady, waking to the dream Aching to be thrown in the ring

If nothing comes easy as long as we're breathing We'll go all the way or go home

We were born ready, wherever it leads What we have is all we need

*Cause if it's fast or slow All I really know is I'm gonna enjoy the ride

And if it's hard or soft before we get off I'm gonna enjoy the ride, enjoy the ride

We were born hungry, hungry for the rush Screamin' when they tell us to hush

G Bm A
Hit the ground runnin', leave 'em in the dust Only run with those we can trust

If nothing comes to us We'll fly where it's bluest We're ready to face the unknown

G Bm A
We were born hungry, we'll never get enough 'Cause we're only here this once
