Intro / G / G / Em / Em / Bm / Bm / A / A / G / G / Em / Em /

Bm A
I didn't want to be the one to forget I thought of everything I'd never regret
G Em
A little time with you is all that I get That's all we need because it's all we can take
Bm A
One thing I never see the same way around I don't believe it and it slips on the ground
G Em
I wanna take you to that place in the "Roche" But no one gives us any time anymore
Bm A
You used me once, you fled, looking, it was dark You made an offer for it, then you ran off
G Em
I got this picture of us kids in my head And all I hear is the last thing that you said

Bm A
**I listened to your problems Now listen to mine" I didn't want to anymore, oh oh oh

Bm G Em
**And we will never be alone again 'Cause it doesn't happen every day
A F# Bm
Kinda counted on you being a friend Can I give it up or give it away
G Em
Now I thought about what I wanna say But I never really know where to go
A F# (Bm)
So I chained myself to a friend 'Cause I know it unlocks like a door
Some more again

(**)

instru / G / G / Em / Em /

Bm A
It didn't matter what they wanted to see He thought he saw someone that looked just like me
G Em
The summer memory that just never dies We worked too long and hard to give it no time
Bm A
He sees right through me, it's so easy with lies Cracks in the road that I would try and disguise
G Em
He runs the scissors at the seam in the wall He cannot break it down or else he would fall
Bm A G Em
One thousand lonely stars hiding in the cold Take it, I don't wanna sing anymore
